The Gateway Center has officially opened in the Bronx.

The nearly 1 million-square-foot, LEED Silver retail mall is 90 percent leased and 80 percent open. The mix of retail and restaurants includes BJ's first wholesale club in the Bronx, Bed Bath and Beyond, Toys "R" Us/Babies "R" Us, Best Buy, Target, Marshall's, Raymour & Flanigan, Staples, AT&T, T-Mobile, Payless ShoeSource, and Applebee's.

The stores are doing well, especially in the evening, and some are staying open as late as 11p.m., said **Glenn Goldstein**, president of developer Related Retail.
